

# Kayla Perdue

kperdue12@icloud.com | 317-607-3012

Professional problem-solver with strong initiative seeks opportunity to learn. Outstanding leadership, management, communication, collaboration and interpersonal skills. Self-motivated and curious, I am a top performer academically and professionally. Highly coachable, and highly curious.

I will bring well-developed business and design acumen, as well as energy, drive, enthusiasm, and a positive attitude to every project - internally and externally. Personally committed to providing positive project outcomes.
